

HORTICULTURAL VARIETIES  
LISTED IN NEW PAMPHLET

A revised list of fruit tree varieties, vegetables, and hardy trees and shrubs suitable for production in Manitoba has been prepared by the Extension Service of the Manitoba Department of Agriculture.

Entitled "Recommended Horticultural Varieties and Zonation Map for Manitoba", the pamphlet contains information regarding the areas best suited for different varieties of fruit trees, suggestions for the beginner, and how to plan a shelterbelt.

Copies of the pamphlet may be obtained from the Manitoba Department of Agriculture, Legislative Building, Winnipeg.
